

Train of H. Stevens, of Fort Yuma, yesterday.

very considerable amount of rain has during the past week and the weather is damp.

ABRAHAM LYON left for the Sierra Colorado on Thursday. This mine is 75 miles from Tucson, on the Altar route. Mr. think, running a serious risk in going with a party of only three men, himself included.

Work is progressing on the Apache mine in a most satisfactory manner. The past week a new shaft has been striking the lode at a distance of thirty feet from the old. The rock here, it is thought, average more than \$100 to the ton.

emigrants from Texas, en route for Arizona, passed through Tucson on Sunday. They expressed their regrets that they could not have upon some of our fertile and unoccupied lands—being deterred from so doing in consequence of the unremitting ravages by the Indians. Let us hope that the day may not be distant when no such obstacle will impede the progress of this superb climate.

A Gentleman in this city has received a letter from Treasure City, Nevada, stating that a couple of hundred desperadoes are now at Yuma, en route for Arizona. If such be the case, they will risk the dangers of the White Mountain region, there can be no doubt but that the greatest mining excitement '49 will be occasioned by their presence.

It has been informed that four companies, en route for Tucson, left Yuma on the 13th inst. and that twelve companies, which are now at Yuma, are en route for Tucson. It is quite evident that the Government has been aroused to a sense of its duty in this matter and now hopes to put an end to the deplorable condition of its past headlessness. Let us hope that a new era, from which we may fix the date of Indian dissolution in Arizona, has dawned.

The Rio Grande mail arrived, for the first time, with a military escort. This is the right direction and we hope the same order may continue. It is a satisfaction to the people to feel that their mails are no longer in the hands of an encouraging contractor to feel that their efforts are not left to unequal battle unaided. The California mail has not met with any late calamity since regular.

The order appointing United States officers as Indian superintendents is to be applied to Arizona as well as the other Territories. Superintendent Ruggles by a major, and agents may be expected here at any day. The new order of things, our agents applied for civil agents for the Pahr-Utes. He has now asked to be sent to these tribes, which have been unaided for.

There is again creating a sensation among the savage horde north of the Gila. Grant, on the 13th inst., with a party of men, proceeded across the Colorado. Goodwin, there obtained reinforcements and started forth to penetrate the Indian region. After travelling some distance down the river the party encamped on a bank. Here a party of seven Indians, and travelling some distance from Indian signs, were met and attacked. Two Apaches were killed and a third mortally wounded. The little party was completely cut off from camp and fought desperately, while the Apache, exhibiting unusual bravery, killed one of the party. The party followed the savages and captured mesquite, and provisions, then returned to camp. A party having received word of the crossing, crossed the river and met the whole expedition on the route for the

**HYMENEAL**—About noon, on Saturday last, Governor A. P. K. Safford arrived from Sacaton, accompanied by his betrothed, Miss Jennie L. Tracy who, at 8 o'clock, on the evening of the same day, became Mrs. Safford. The marriage ceremony took place at the Governor's mansion, in the presence of several ladies and gentlemen of Tucson.

The circumstances connected with this marriage speak volumes for the integrity of Governor Safford as well as for the constancy and attachment of his bride who, unattended, except by her servants, left scenes of gaiety and comfort to risk all the dangers and hardships liable to fall to the lot of those who penetrate this wildest portion of the North American continent. Truly the journey is one from which many strong-minded men have recoiled in fear.

Up to 9 o'clock guests continued to arrive to offer their congratulations to the happiest couple in Arizona, and were received by His Excellency, with his characteristic courtesy, and rewarded by receiving through him an introduction to his beautiful and accomplished lady. Ex-Congressman, and Secretary, Hon. Coles Bashford, delivered a very appropriate address upon the occasion, after which several toasts were proposed and drank in sparkling champagne. The guests took their leave and departed at an early hour. About 12 o'clock some twenty of our most prominent citizens and four or five military officers, accompanied by the Tucson band, returned and poured forth their final congratulations in the spirit of a lively serenade, after which the company dispersed to their several homes, doubtless feeling that the Governor's usefulness, as a member of society, in the past, would be amply rewarded by happiness in the future.
